In My Life

I love, love, love
to touch your white skin
and to feel, feel, feel
your sweet embrace
I know you can be the one
to rule my world now
You're just the last beautiful girl

In my life,
you're just the best in my life
the plastic glance in your eyes
you're just the best in my life
in my mind you're alive

I love, love, love
to taste your cold lips
and I even would die for a kiss
I just can't forget the day
when I met you
in that cheap porn store

In my life,
you're just the best in my life
the plastic glance in your eyes
you're just the best in my life
in my mind you're alive

And he love, love, loves
to taste your cold lips
and he even would die for a kiss

can't forget the day
that he met you
in that cheap porn store

In my life,
In my life in my life
you're just the best in my life
In my life in my life
the plastic glance in your eyes
(plastic glance in your eyes)
you're just the best in my life
in my mind you're alive
(the plastic glance in your eyes)

Love, love, loves
to taste your lips
even die for a kiss
can't forget the day he met
(the plastic glance in your eyes)

Love, love, loves
to touch your skin
your sweet embrace
so deep within
you know that you can rule his world
you are his beautiful girl
