#### Letter From Africa

Ruthless sun and pouring rain  
That's what you know  
Deepest jungles desert plains  
That's what you can see  
Nature's wildlife freely roam  
Ancient kingdoms, realms unknown  
But first of all... above all else  
This is a place called home

Ruthless sun and pouring rain  
Deepest jungles desert plains  
Ancient kingdoms, realms unknown  
This is a place called home

Ruthless sun and pouring rain  
Deepest jungles desert plains  
Nature's wildlife freely roam  
This is a place called home

Endless wars, no "rights of man"  
That's what you know  
Ruined cultures, hostile clans  
That's what you can see

Suffering hunger, left alone  
Mega-cities, lands unknown  
But first of all... above all else  
This is place called home

Ruthless sun and pouring rain  
Deepest jungles desert plains  
Ancient kingdoms, realms unknown  
This is place called home  
Nature's wildlife freely roam

Endless wars, no "rights of man"  
Ruined cultures, hostile clans  
Suffering hunger, left alone  
This is place called home

Ruthless sun and pouring rain  
Deepest jungles desert plains  
This is place called home
