I don't give a fuck  
What you say  
I don't want to hear no lies  
From you today  
You wonder why you stand  
All alone  
But maybe you just reap  
What you've sown

And suddenlyâ€¦  
You find you're in so deep  
The more you try in vain  
To free yourself again  
The deeper you will fall â€¦ won't you?

A thousand time I've lent  
A helping hand  
I'm not asking for a "thanks"  
Don't misunderstand  
But you're hiding from the truth  
If you think that you don't need a friend ... aren't you?  
A long descending road, I've been told  
Lies out there in the cold  
For those alone

And suddenly â€¦

All the things that you have done â€¦ one by oneâ€¦  
Are just coming back to you â€¦ so they doâ€¦

And suddenly â€¦
