There is a world I keep inside
When Iâ€™m with you I canâ€™t hide
You see everything
A part of me I canâ€™t disguise
I loose myself inside your eyes
'Cause you see everything

Everybodyâ€™s searching for the one
And baby Iâ€™ve been waiting for so long
And now you undress me, you read my mind
Revealing my secrets that Iâ€™ve tried to hide
Youâ€™ve got that something, touching my soul
And when Iâ€™m around you, you make me whole
The way you caress me, you undress me

The thought of you makes me so strong
I know that I canâ€™t do no wrong
I could do anything
I cross the sea, Iâ€™ll walk the moon
Just to spend the night with you
I could do anything

Everybodyâ€™s searching for the one
And baby Iâ€™ve been waiting for so long
And now you undress me, you read my mind
Revealing my secrets, that Iâ€™ve tried to hide
Youâ€™ve got that something, touching my soul
And when I am around you, you make me whole
The way you caress me, you undress me

Iâ€™m naked before you, oh here I am
Iâ€™m naked before you, here I am

Iâ€™ve been searching for the one
At every turninâ€™ I was wrong
Now I know where I belong
Now you undress me (ooh)
Yes now you undress me (oh ooh baby)
You make me whole
The way you undress me, you read my mind
Revealing my secrets that Iâ€™ve tried to hide

You've got that something touching my soul
And when I am around you, you make me whole
The way you caress me, you undress me
