CATWALK ON EM
CATWALK ON EM
CATWALK ON EM
TYRA BANKS ON EM

She walk like tyra
Big Talk like tyra
Pretty Face like tyra
Slim waste like tyra

Hot like a lighter
Set the club on fire
Style be the shit,
Attitude like a tiger

She Miss in-de-pen-dent, Strut like a queen
Got that Real good yaki, and Stay on dat Ultra sheen
5 star dime piece, pose when she hit tha scene
Plus her Style never touched, And her Vibe so unique

Her swagga Tyra Banks, you can see it in her face
Make a nigga wanna taste, every time she hit tha stage
So fine and untamed, she shakin it to tha bass
unchanged, and she said, she don't fuckin care, whut
hatas say

Shawty so fine, she know how to work a pogo
Flossin in da club, u never catch her Solo dolo
She like how I rock da polo, hands on me like a spider
Then I watched her back up on me, shake it like she
was tyra

She walk like tyra
Big Talk like tyra
Pretty Face like tyra
Slim waste like tyra
Hot like a lighter

Set the club on fire
Style be the shit,
Attitude like a tiger

She ain't ever been scared, confidence like a tiger
Been the focal point will never be a side liner
High up on the fine scale and only getting flyer
Fire up the room you would think she was a lighter

She don't ever slow down, only go for the gold
Her mind on her grind, yah she be the centerfold
Her style so refreshin got a nigga revamped
Little mamma let me see you take a pose for tha cam

Every flash a couple grand, only rockin name brand
She stay on that, supper glam, got hatas like supper fans
Mind on tha runway, eyes on the prize, fighter
And she know how to walk them lettos out like tyra

She walk like tyra
Big Talk like tyra
Pretty Face like tyra
Slim waste like tyra

Hot like a lighta
Set tha club on fire
Style be tha shit,
Attitude like a tiger
