If everything I do, Upsets You
I won't do no right.
If everything I do, Upsets You
Well that's all right.

I won't do no right
Don't even try
If everything I do
Upsets you
You won't leave me alone
You put me down
I'm going to blow my mind
On pretty little things like you.

If everything I do, Upsets You
I won't do no right.
If everything I do, Upsets You
Well that's all right, all right.

Ask me where I stand
I stand for nothing at all
Ask me who I'm trying to please
Nobody but myself.

If everything I do, Upsets You
I won't do no right.
If everything I do, Upsets You
Well that's all right.

Yeah yeah, yeah yeah, yeah yeah.
Yeah yeah, yeah yeah, yeah yeah.

I won't do no right
Don't even try
If everything I do
Upsets you.

If everything I do
Upsets you
I won't do no right.

I'm going to blow my mind
On pretty little things
Like you if it takes all night.

All right, yeah.
