there's been a killing  
in the centre of town  
in the blazing sunlight  
somebody was shot down

here come the carabinieri  
they come to get there man  
they go about their business  
nobody say nothing

nobody talks to the law  
nobody talks to the law around here

i heard he had it coming  
they said he talked too much  
disrespect the family  
you're gonna sleep with the fish  
nobody talk to the law  
no matter what you saw  
if you wanna keep walking  
it's best you don't say nothing

nobody talks to the law  
nobody talks to the law around here  
nobody talks to the law  
nobody talks  
there's been a killing  
in the centre of town  
in the blazing sunlight  
somebody was shot down

here come the carabinieri  
they come to get there man  
if you wanna keep walking  
you better keep your mouth shut

nobody talks to the law  
nobody talks to the law around here  
nobody talks to the law  
nobody talks  
nobody talks  
nobody talks

nobody talks  
nobody
