Sometimes you don't feel so good
Feel sick and tired... Don't feel like you should...

Don't worry, everything's alright
Don't worry, I'll be home tonight
Don't worry, everything's alright
Don't worry, I'll soon be in sight

It's alright
It's alright tonight
Just try to hold on tight

I think of last night with our arms entangled
Right now, I just need my Angel
I have faith that the night will deliver
Me into the arms of my lover

Don't worry, everything's alright
Don't worry, I'll be home tonight
Don't worry, everything's alright
Don't worry, I'll soon be in sight

It's alright
It's alright tonight
Just try to hold on tight
