Angel: Feel the chill, understand
Bring your hands into my hands
My hands

Man: You can do anything you need
And you can do it anytime
All I want is you to talk to me
And the rest we will find

Angel: Time is not what it feels
Time is nothing, it's not real
It's not real

Woman: Save me!
I don't know how much more I can stand
I gave you my lovin'
You can't just put it back in my hand

Man: I just can't go on like this
I'm not myself
And your abuse won't change a thing
I must be free to choose

Angel: Time is not what it feels
Time is nothing, it's not real
But I will be there tomorrow
Tomorrow

Woman: My love please wait and talk awhile!
Please tell me what I have to do for you to still love me!

Man: I don't know
I just don't think we're ever gonna work it out
As I'm standing here I'm loving you with a lingering
doubt

Woman: Now my heart is full
It's going to break and spill all over the place

Angel: Time is not what it feels
Time is nothing, it's not real
It's not real

Man & Woman: Hey babe
All I've got to say
Is it's gonna make me sad
But it's a price we have to pay

Angel: Time is not what it feels
Time is nothing, it's not real
But I will be there tomorrow
Tomorrow

Time is not what's real
There's nothing else, nothing feels
Time is not what's real
There's nothing left you wanna feel

Time is not what's real
You are here. You feel
You were here
Time is real
Feel, you feel
You feel, you feel
Time is not real
