The signs are creeping up on me, oh  
Slowly shifting sides to be on  
How could you say that to me  
How could you be like that to me oh, no

You couldn't see  
You couldn't understand me  
You couldn't see  
You couldn't understand me

You didn't have to be that way to  
You didn't have to be  
You didn't have to say that to me  
You didn't have to say  
Have to say

It's hard to say if I believe you  
The toxic thoughts you weave beneath you  
Suspended from the line you've cast out  
I'm sinking slowly holding fast, oh, no

You couldn't see  
You couldn't understand me  
You couldn't see  
You couldn't understand me

You didn't have to be that way to  
You didn't have to be  
You didn't have to say that to me  
You didn't have to say  
Have to say
