Refrain

Ever walk with me Lord
Each night and day a rejoicing
With kindness the harmony, justice the beat
You've turned my footsteps to dancing
Oh Ever walk with me Lord

How can I come before You?
What worthy gift could I bring?
What glorious feast could I offer?
What songs of majesty sing?
Lift this heart of sadness into gladness by Your peace
Before I can come before You, You come to me

Refrain

Ever walk with me Lord
Each night and day a rejoicing
With kindness the harmony, justice the beat
You've turned my footsteps to dancing
Oh Ever walk with me Lord

In my work I grow weary
Lost on this road of desires
Where is the path that leads homeward?
To bring me back to Your fire
Lift these eyes of sadness into gladness at Your peace
I am lost and weary, come shepherd me

Refrain

Ever walk with me Lord
Each night and day a rejoicing
With kindness the harmony, justice the beat
You've turned my footsteps to dancing
Oh Ever walk with me Lord

A million voices surround me
How can I hear when You call?
When at last grace has found me
Will I recognize it at all?
Lift this song of sadness into gladness at Your feast
To hear Your voice is calling, come walk with me

Refrain
Ever walk with me Lord
Each night and day a rejoicing
With kindness the harmony, justice the beat
You've turned my footsteps to dancing
Oh Ever walk with me Lord
