Welcome child into our family
Washed in water, reborn and free
A sign on your forehead and your heart
The cross that never will depart

Allelujah Allelujah
Allelujah, Come and sing

Chorus
Stirrin' up the water
Stirrin' up my soul
A light comes to the darkness
Come and make me whole
Oh Stir it up, stir it up, Oh Lord

The call goes out to near and distant lands
Come all you children into my hands
Grow like branches on the living tree
Washed in water, reborn and free

Allelujah Allelujah
Allelujah, Now we sing

Chorus
Stirrin' up the water
Stirrin' up my soul
A light comes to the darkness
Come and make me whole
Oh Stir it up, stir it up, Oh Lord

Comfort and joy the spirit brings
In darkest trials, drink from the spring
Hear the promise that no time could ever hold
That's forever, for young and old

Allelujah Allelujah
Allelujah, Lord we sing

Chorus
Stirrin' up the water
Stirrin' up my soul

A light comes to the darkness
Come and make me whole
Oh Stir it up, stir it up, Oh Lord
