Oh, you pretty things, don't you know  
You're driving your mamas and papas insane?  
Oh, you pretty things, don't you know  
You're driving your mamas and papas insane?  
Let me make it plain  
You gotta make way for the homo superior

Wake up you sleepy heads  
Put on some clothes, shake up your beds  
Put another log on the fire for me  
I need some breakfast and coffee

I look out my window and what do I see?  
A crack in the sky and a hand reaching down to me  
All the nightmares came today  
And it looks as though they're here to stay

What are we coming to?  
There's no room for me, no fun for you  
I think about a world to come  
Where the books were found by the golden ones

Written in pain, written in awe  
By the puzzled man who questioned  
What we were here for  
All the strangers came today  
And it looks as though they're here to stay

Oh, you pretty things, don't you know  
You're driving your mamas and papas insane?  
Oh, you pretty things, don't you know  
You're driving your mamas and papas insane?  
Let me say it again  
You gotta make way for the homo superior

Look at your children  
Their faces in golden rays  
Don't kid yourself they belong to you  
They're the start of the coming race

The earth is a beast, we've finished our news  
Homo sapiens have outgrown their use

All the strangers came today  
And it looks as though they're here to stay

Oh, you pretty things, don't you know  
You're driving your mamas and papas insane?  
Oh, you pretty things, don't you know  
You're driving your mamas and papas insane?  
Let me say it again  
You gotta make way for the homo superior

Oh, you pretty things, don't you know  
You're driving your mamas and papas insane?  
Oh, you pretty things, don't you know  
You're driving your mamas and papas insane?  
Let me say it again  
You gotta make way for the homo superior
