The second star to the right  
Shines in the night for you  
To tell you that the dreams you plan  
Really can come true  
The second star to the right  
Shines with a light that's rare  
And if it's Never Land you need  
It's light will lead you there  
Twinkle, twinkle little star  
So I'll know where you are  
Gleaming in the skies above  
Lead me to the one who loves me  
And when you bring him my way  
Each time we say "Goodnight"  
We'll thank the little star that shines  
The second from the right
