You're not perfect but who is
You're not happy but then again who is
You're not satisfied at all
You're not satisfied but then again who is
You're broken in the most beautiful places
You're broken in the most beautiful ways
I wouldn't fix you if I could
But I won't break you anymore
Cause it's the cracks that make you good
It's the cracks that make you whole
'Cause I know where you're going
And I know where you've been
I know how it feels to live in your skin
I know how it feels to break not to bend
