And the dollar devalue
In the city

What do you see culture man
Tell What do you see culture man
I see them churches locked down
Schools closed down
Politicians promising
Teacher striking
In the city
In a you shitty
In the city
In a the shitty
Come on come on lookin' at your crystal ball culture

I say lookin' at your crystal ball culture man
Tell me tell me what do you see culture man
Tell me what do you see culture man
I see youths rising
Blood running

Let us have a view on the inside
