Said I'm wanted, dread & alive  
By the evil forces  
Said I'm wanted, dread & alive  
Nowhere to hide  
They are trying to find me

(Verse)

Babylon charge I for ganja  
Which I know couldn't do  
How could one man Gang Jah  
Must be an ape from the zoo

And I'm wanted, dread & alive  
By the evil forces, yea  
I been wanted, dread & alive  
No place to hide  
They are trying to find me

I've been accused for a shootin'  
Jah know I never do  
To put me in prison they are willing yea  
So I've got to pull my way through

And I'm wanted, dread & alive  
By the evil forces, yea  
Said I'm wanted, dread & alive  
With no, no place to hide  
They are trying to find me

Yesterday was court day, yea  
And I-Man forget to go  
Today my name is in my papers  
And next a warrant they will show

So I'm wanted, dread & alive  
By the evil forces  
Said I'm wanted, (yea) dread & alive  
No place to hide  
They are trying to find me

Now I've got just two guns

To protect myself from men  
'Cause I've never done nothin' wrong  
And I hate the dragon's den

And I'm wanted, dread & alive  
By the evil forces  
I'm always wanted, dread & alive  
No place to hide  
I know they are trying to find me

And I'm wanted, dread & alive  
By the evil forces  
Said I'm wanted, dread & alive  
No place to hide

I been wanted, dread & alive  
By the evil forces...
