99
99 worlds away

The thing that you won't, baby I don't need
Forget my number girl, don't call me
'Cause I can't live, your emergencies
Jumped the right track, got on the wrong train
Crashed landed down on lover's lane
You got me tossing and turning
Like a feather in a hurricane

[Chorus]
I ain't going back to you
For 99 reasons
I'm 99 worlds away
This time I'm going to see it through
For 99 reasons
I'm 99 worlds away
99 worlds away

There's only one way out, on a dead end street
Drowning in trouble baby, I can't breathe
Too much of nothing, walls closing in on me
There ain't nothing left, to hold on to
When it's love on the rocks, there ain't much you can
do
Don't come looking for me baby, I'm 99 worlds away

[Repeat Chorus]
99
I'll be 99 worlds from here

I ain't going back to you
For 99 reasons
I'm 99 worlds away
This time I'm going to see it through
For 99 reasons
I'm 99 worlds from here
For 99 reasons
I'm 99 worlds from here
Walk away, walk away, walk away, walk away
For 99 reasons

I'm 99 worlds from here
For 99 reasons
I'm 99 worlds from here
