They hung a sign out, sign out after seven
Down at "The Hive", where you're such a busy bee
So sign in honey, sign up for heaven
Until tonight, it's you and me

Come as you are, now come on, woo woo
Come as you are, and we'll have a ball
Ain't gonna be no masquerade, woo woo
Come as you are, or don't come at all

There'll be a high time, high time at the lake side
Barry and the boys are going in for free
We'll jump the moon, take it for a joyride
I stuck it up there for you and me

Come as you are, now come on, woo woo
Come as you are, and we'll have a ball
Ain't gonna be no masquerade, woo woo
Come as you are, or don't come at all

(Instrumental)

I'm just a bluebird, bluebird at your window
And it's for sure, you're a pretty sight to see
But life's so short, I know what you're into
Come on it's you and me

Come as you are, now come on, woo woo
Come as you are, and we'll have a ball
Ain't gonna be no masquerade, woo woo
Come as you are, or don't come at all

Come as you are, now come on, woo woo
Come as you are, and we'll have a ball
Aint gonna be no masquerade, woo woo
Come as you are, or don't come at all

Come as you are!
