Mmmmm

You wanna feel, you wanna touch  
Something inside you, something so much  
You pick 'em, you lay 'em down  
You play your life out all over town

Hey Jordan, that's a boy's name on a girl  
Are you still undecided?  
It's such a crazy world

Hey Jordan, life's a river and it bends  
The search for love abiding, just never seems to end  
You can play through all these changes  
From midnight until dawn  
And still come down alone  
Hey Jordan, don't come down alone  
Hey Jordan, don't come down alone

When my turn comes, what can I do?  
The night's in me, like the night's in you  
When morning comes, the going's low  
Will you stay with me, or will you go?

Hey Jordan, life's a river and it bends  
The search for love abiding, just never seems to end  
You can play through all these changes  
From midnight until dawn  
And still come down alone  
Hey Jordan, don't come down alone  
Hey Jordan, don't come down alone

Same old round and round  
We're either lost or found  
Or somewhere in between

Hey Jordan, that's a boy's name on a girl  
Are you still undecided?  
It's such a crazy world

Hey Jordan, life's a river and it bends  
The search for love abiding, just never seems to end

You can play through all these changes  
From midnight until dawn  
And still come down alone  
Hey Jordan, don't come down alone  
Hey Jordan, don't come down alone  
Hey Jordan, don't come down alone  
Hey Jordan, don't come down alone
