Guitar Intro

Don't try to explain
Cause I don't wanna to hear
Every word you say
Sounds so insincere

Don't try to explain
I've heard it all before
I don't wanna to hear
I don't wanna know

I don't want to hear
The things you have to say
Always sad to see you
Look at me that way

Don't try to explain
Just lie to me some more
I don't wanna hear
I don't wanna know

Been down that road before
Ain't going down that road no more

Don't try to explain
Cause I don't want to see
Even tho its there
Right in front of me.

Don't try to explain
I'm lookin' at the floor
I don't wanna hear

I don't wanna know

Been down that road before
Ain't going down that road no more

No more baby!
