When the music stops,  
I walk you to your door  
And we say goodnight,  
Like a thousand times before

This is the night (night),  
I just can't walk away, oh  
This is the night,  
I need you even more

Why should we wait 'til tomorrow? ohh, ohh  
Why should we wait 'til tomorrow? ohh, ohh  
I can't wait til' tomorrow ohhhh  
I need you tonight

I drive away, but you're still on my mind  
It's gettin' so hard leavin' you behind  
This is the night I just want you to know, oh  
This is the night I just can't let you go

Why should we wait 'til tomorrow? ohh, ohh  
Why should we wait 'til tomorrow? ohh, ohh  
I can't wait til' tomorrow ohhhh  
I need you tonight

Yeah!

(Instrumental)

Oh!

Why should we wait 'til tomorrow? ohh, ohh  
Why should we wait 'til tomorrow? ohh, ohh  
I can't wait til' tomorrow ohhhh  
I need you tonight

And I need you tonight  
'Cause I need you tonight...
