Long time since we've been together
You knew life don't last forever
I wanna love you one more time

I'll hang around all over town
See if you're up, see if you're down
What can I do? I'm always asking for you

Tell me lies, I will believe them
Close my eyes, I'll take the bitter with the sweet

I hang around all over town
See if you're up, see if you're down
What can I do? I'm always asking for you

I walk the streets, I hope I find you
Ask people I meet, if they have seen you
The memories so sweet, I'm always asking for you

I walk the streets, I hope I find you
Ask people I meet, if they have seen you
The memories so sweet, I'm always asking for you

I hang around all over town
See if you're up, see if you're down
What can I do? I'm always asking for you
Asking for you
