The lovers, two by two along the avenue  
Oh, such a beautiful sight to see  
But as they pass me by, it makes me wanna cry  
'Cause I know it's too late for me

It seems so long ago, when someone loved me so  
And we were both, both so young and so free  
I thought I still could see how good life used to be  
And I know that it's too late for me

The days go by, the days go by  
Another heartache I can't ease  
The nights come on, I'm all alone  
With just my precious memories

Now to me it seems, I always lived in dreams  
Of how I wanted my, my life to be  
I wake to morning cold, there's nothing left to hold  
'Cause I know it's too late for me

I wake to morning cold, there's nothing left to hold  
Oh yes, it's too late for me
