Lights out  
A-ha  
Blast, blast, blast

Lights out  
A-ha  
Blast, blast, blast  
Lights out

Dancing in the dark  
To the radio of love  
Dancing in the dark  
To the radio of love

I know that it's wrong  
To be dancing with no lights on  
And I know that it's wrong  
To be holding you for so long

And for the rest of the night  
I'll be holding you tight  
So tight

Dancing in the dark  
To the radio of love  
(Lights out, a-ha)  
Dancing in the dark  
To the radio of love  
(Lights out, a-ha)

Oh, what can I do  
All I need is to dance with you  
And turn the lights down some more  
We're the only ones left on the floor

Let the music play  
I want to hold you this way  
Girl, stay

Dancing in the dark  
To the radio of love  
(Lights out, a-ha)

Dancing in the dark  
To the radio of love  
(Lights out, a-ha)

Sha-la-la-la-la  
Ooooooh, holding you girl  
Sha-la-la-la-la  
Oh, baby, please

Lights out  
A-ha  
Blast, blast, blast

Lights out  
A-ha  
Blast, blast, blast  
Lights out

[Instrumental Interlude]

(A-ha)  
(Blast, blast, blast)  
(Lights out)

Dancing in the dark  
To the radio of love  
(Lights out, a-ha)  
Dancing in the dark  
To the radio of love  
(Lights out, a-ha)

Dance, dance, dance  
Radio of loooove  
(Oooooooh-hooooo, girl)  
(In the dark)  
Shine on, loooove  
(Oooooooh-hooooo, girl)  
(In the dark)...
