I've never been kissed, loved, squeezed and teased  
But never like this before  
You've got me trackin' behind ya  
Runnin' on my knees, teasin', and beggin' some more

I said I heard a lot of sweet talk in my time  
But your pretty words just mess up my mind  
It's like never (never) never (never), never like this  
before

I've been swept and kept up all night  
Sometimes I didn't rest at all  
I've been shifted, lifted up sky, waited on a waterfall  
I know sometimes it's easy, and sometimes it's rough  
I just can't seem, girl, to get enough  
I said never (never) oh, never (never) never like this  
before

Let me tell you about your love, baby  
Ah, shake it now darlin'  
Oh, take it now reverend  
Strong as a tree root  
You know you got sweet, as like candy sweet  
How do you do it?  
Do it to me baby

Come on!  
It's no good

Oh, sometimes you love me crazy, girl  
Then you love me rough  
I just can't seem to get enough  
It's like never (never) never (never)  
I say never (never) never (never) never like this before

Never had it this good baby (never)  
You're hot, shake it now, ma  
Oh, you're mine baby  
Stronger than a tree root  
Sweeter as so sweet  
Oh, come on, one more time, now  
Give it to me, give it to me, give it to me, Whoah!

Oh yeah! You love me, than you get me tough, baby  
Mindbreaking love
