Run Silent, Run Deep

His face cried out from the flood,
Fish me out and I'll do you some good,
You, who are blood of my blood
You'd kill me for kicks if you could.

Run silent, run deep
Run river, run

Her lips washed by well rehearsed
I am livin' to love you she yelled
Lady, you're dyin' of thirst
And soon, you'll be drownin' in Hell.

Run silent, run deep
Run, river run

Run River Run (oh, you gotta run)
Run, river run (ohhhhh ha ha)

This love is long overdue
I couldn't save you, I couldn't save you if I tried
Only your terror rings true
I'll saddle my seahorse and ride

Run silent, run deep
Run silent, run deep (run)
Run silent, run deep
Run river run

Run River Run
Run river run (Blood of my blood)
Run river run (I couldn't save you, I couldn't save you, I
couldn't save you, I couldn't save you, I couldn't save
you, if I tried)
Run river run (Ohhhhh)
Run river run (Ride river, ride river)
Run river run (Ride river, ride, ride river)
Run river run (Mmmmmm)
