Oh give me a home where the buffalo roam
And the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day

Home, home on the range
Where the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day

Three horses grazing out my window, brown, black and
White they stand
Rolling pastures they can wander, free and easy is
their land

Chorus:
Don't ever take away my freedom, don't ever take it
away
We must cherish and keep that one part of our lives
And the rest we're gonna find one of these days...
One of these days

I always thought that I'd see in my own lifetime
An end to poverty, injustice and war
But now I've learned that that job will take a long, long
time
So there's one thing that must endure

Chorus

When I am old and thinking over the whole life that I've
led
If there's one final wish left to me
I will pray that the children, who are yet to be born,
I will pray that they will always live free

Chorus

There is a time for the singing and the sunshine
There is a time for the thunder and the rain
There is a time for the changing of the seasons my
friend

But there is one thing we must never change

Chorus
