Look at the stars, look how they shine for you
And everything you do, yeah, they were all yellow
I came along, I sang a song for you
And all the things you do and it was called 'Yellow'

So then I took my turn
Oh, what a thing to have done and it was all yellow

Your skin, oh, yeah, your skin and bones
Turn into something beautiful
You know, you know I love you so
You know I love you so

I swam across, I jumped across for you
Oh, what a thing to do 'cos you were all yellow
I drew a line, I drew a line for you
Oh, what a thing to do and it was all yellow

Your skin, oh, yeah, your skin and bones
Turn on into something beautiful
And you know for you I'd bleed myself dry
For you I'd bleed myself dry

It's true, look how they shine for you
Look how they shine for you
Look how they shine for

Look how they shine for you
Look how they shine for you
Look how they shine

Look how they shine
Look at the stars, look how they shine for you
And all the things that you do
