Hypnotized by the look in your eyes
Cheek to cheek with our heads held up high
Sense the rhythm that's beatin' within
You're hot, we dance skin to skin
One lick from the tip of your tongue
Teasin' me, the evenings still young
So exciting, so inviting
Come, let's go!

Tango! Tango!
Câ'mon let's tango you and I
Tango! Tango!
Until the morning will arrive
Tango! Tango!
Let's do the tango you and I
Hold me tight and dance all night and don't let go

Face to face, you're starring at me
With you're hand's clutching mine desperately
Drops of sweat slowly runs down my neck
I'm hot, we move forth and back
One kiss on my red shining lips
I'm surrounded by your fingertips
So exciting, so inviting
Come, let's go!

Tango! Tango!
Câ'mon let's tango you and I
Tango! Tango!
Until the morning will arrive
Tango! Tango!
Let's do the tango you and I
Hold me tight and dance all night and don't let go

Ta-, tango!
Ta-, tango!
Ta-, tango!
Tango!

Tango! Tango!
Câ'mon let's tango you and I
Tango! Tango!

Until the morning will arrive
Tango! Tango!
Let's do the tango you and I
Hold me tight and dance all night and don't let go

Ta-, tango!
Ta
C'mon let's tango you and I
