"No Retreat, No Surrender"

You give a little
They take a lot
Keep on plushing
Give 'em all you've got
Up to the limit
Over the line
Keep on coming back
Time after time

I'm still in fighting
Don't count me out
Frustration growing
What's it all about?
Close your eyes
It won't go away
If it's worth having
There's a price to pay

No retreat, no surrender
No more running in the night
No retreat, no surrender
Turn and face it
Stand and fight

We'd all look heroes
If looks could kill
Scared of living
Missing the thrill
No more excuses
No alibis
Right on the button
Between the eyes
