He is now to be among you at the calling of your hearts
Rest assured this troubadour is acting on his part
The union of your spirits here has caused him to
remain
For whenever two or more of you are gathered in his
name

There is love
There is love

Well, a man shall leave his mother and a woman leave
her home
They shall travel on to where the two shall be as one
As it was in the beginning, is now until the end
Woman draws her life from man and gives it back
again

And there is love
There is love

Well, then what's to be the reason for becoming man
and wife?

Is it love that brings you here, or love that gives you
life?
For if loving is the answer, then who's the giving for?
Do you believe in something that you've never seen
before?

Oh, there is love
There is love

Well, then what's to be the reason for becoming man
and wife?
Is it love that brings you here, or love that gives you
life?
For if loving is the answer, then who's the giving for?
Do you believe in something that you've never seen
before?

Oh, there is love

There is love
