(Chorus)

Dance for the vibe...
Would you love for the vibe...
Be a slave to the vibe...
Slave to the vibe...
Dance for the vibe...
Would you love for the vibe...
Be a slave to the vibe...
Slave to the vibe

(Verse)

I think about you and I ask myself...
Do you want me there for something...
If you only want to be one thing...
To satisfy your temporary need...
If nothing matters at all...
Then the hurts not so bad when you fall...
Would you dance for the vibe...
Would you love for the vibe...
Be a slave to the vibe...
Slave to the vibe...
And if I said this world would end tonight...
And you had to do something to believe in...
Would you know what's wrong and know what's right...
Reach for darkness... Or reach for the light...

If nothing matters at all...
Tell me why are you so lonely...
Waiting for a call...

(Chorus)

Dance for the vibe...
Would you love for the vibe...
Would you dance for the vibe...
Would you love for the vibe...
Be a slave to the vibe...
Slave to the vibe...

(Bridge)

And if I said this world would end tonight...
And you had to do something to believe in...
Would you know what's wrong and know what's right...
Reach for darkness... Or reach for the light...
If nothing matters at all...
Tell me why are you so lonely...

Waiting for a call...
Would you dance for the vibe...
Would you love for the vibe...
Would you dance for the vibe...
Would you love for the vibe...
Be a slave to the vibe...
Slave to the vibe...
