"Disease Called Religion"

Thousand of coward vultures
Spread disease
A very designing kind of
Disease
The disease called religion

Faith of Christian bastards
Subjugates common sense
Subjugates progress and
Development
Keeps facts in secrets

[Solo Rudolf]

A big book of dirt
And of disgusting lies
Carries mankind closer to
Doom
The world is reaching it's
Extinction

Stop them and destroy
Cease to see idly
Save yourself and your near
Relation
Destroy the disease called
Religion
