"Mangy Dogs"

Soon... Yes, soon the time will come

To punish you for your crimes

For thousand of poor men

You deceived and destroyed

You false prophets

Fucking mangy dogs

You cannot fool me

I'm invisible

Get ready

The court awaits you

Day of reckoning

I will be the master

The ordinary man

I will put an end to you

You mangy dogs

No more lies

Time for truth have come

Soon...
