At last stop to listen  
The desperate threatening callings  
Of the last priests

And tell them  
That you are not afraid anymore  
And you scorn them

Tell them That you have already found the scourge of  
the truth  
That opened your eyes  
And showed the right way

So go and stop turning back  
Go and be strong and ready  
To be able to tread an all over

The answer to your questions  
You have found already  
That god is dead...  
That god has always been dead...

At last stop to listen  
The desperate threatening callings  
Of the last priests

Tell them  
That you have already found the scourge of the truth  
That opened your eyes  
And showed the right way  
So go and stop turning back  
Go and be strong and ready  
To be able to tread an all over
