All dried up
In the morning light
Realize my love is gone
Tell me that you're fine
Are you staying warm?
Can you show me a sign?
Then I should buy it

Can't feel my love anymore
Can't feel my legs anymore
But I'm still walking

Can't feel my love anymore
Can't feel my legs anymore
But I'm still running

Last night I dreamed
That the sky above
Had you gone for me?
Can you keep my awaiting
'Til the sun goes down?
I'm dying here
But I'm alive

Can't feel my love anymore
Can't feel my legs anymore
But I'm still walking

Can't feel my love anymore
Can't feel my legs anymore
But I'm still running
