The Music of the Night

Nighttime sharpens, heightens each sensation
Darkness stirs, and wakes imagination
Silently the senses abandon their defenses

Slowly, gently, Night unfurls it's Splendor
Grasp it, sense it, tremulous and tender
Turn your face away
From the garish light of day
Turn your thoughts away from cold, unfeeling light
And listen to the music of the night

Close your eyes -
And surrender to your darkest dreams
Purge all thoughts of the life you knew before
Close your eyes-
Let your spirit start to soar!
And you'll live as you've never lived before

Softly, deftly, Music shall caress you
Hear it, feel it, secretly possess you
Open up your mind, Let your fantasies unwind
In this Darkness that you know you cannot fight,
The Darkness of the Music of the Night!

Let your mind-
Start a journey through a strange new World!
Leave all thoughts of the life you Knew before
Let your soul take you where you long to be!
Only then can you belong to Me.

Floating, falling, Sweet Intoxication
Touch me, trust me, savor each Sensation
Let the dream begin, Let your darker side give in
To the Power of the music that I write,
The Power of the Music of the Night!

You alone can make my song take flight, Help me
make the music of the night.
