[Taylor, Green, Buckland, Borsellega]

Catch the twist  
Severed wrist  
Ride the crimson tide

Strike the chime  
Sing the rhyme  
Dead men never lie

Kingdoms rise, fall  
She stands like stone  
Hail, all hail, the queen of the damned

Cast to crime  
The coffered dime  
The jester on the throne

Tip the crown  
Feel you drown  
Crucify your own

Restless apparition  
Eyes that never slept  
A long held lost tradition  
Those who once were kept

Kingdoms rise, fall  
She stands like stone  
Hail, all hail, the queen of the damned

Burn and crisp  
Cry and twist  
Telekinetic char

Crack the bone  
Touch the stone  
The queen of styggia
