Hold me tight  
And make it never end  
Never end , darling  
I need to take a stand  
And leave the past behind  
Youve got to turn me  
Around from night to the morning..

Stay with me  
Youve got to stay with me  
Hold on to stay with me  
Ye-ye-ye-ye.

Stay with me tonight  
cause I love you  
Stay with me tonight  
cause I need you  
Stay with me tonight  
cause I love you, need you, want you, hate you and  
snob you

Stay with me tonight  
cause I love you  
Stay with me tonight  
cause I need you  
Stay with me tonight  
cause I need you , love you girl , you know I believe you
