She's got me downtown on the ground
Beggin' me to calm her down
Hasn't even said a word
I wonder if she even heard me
Call her name kiss her now
Love is pain and I'm outside
With her in the rain
And all I do is feel same

Yeah I'm ready for it/I'm for the breakdown
Yeah I'm ready for it/for her to go
Yeah I'm ready for it/for the breakdown
Yeah I'm ready for it/she needs to know

So go if you wanna show me what you're all about
Who loves you better than I who loves you better
And no I don't wanna go until my heart burns out
Who loves you better than I who loves you better

I'll understand if she loves me so or loves me not
I'll have her know matter what she says or does my
heart is set on my true love
And oh she knows just how I feel at night when I'm
beside her

Yeah I'm ready for it/I'm for the breakdown
Yeah I'm ready for it/for her to go
Yeah I'm ready for it/for the breakdown
Yeah I'm ready for it/she needs to know

So go if you wanna show me what you're all about
Who loves you better than I who loves you better
And no I don't wanna go until my heart burns out
Who loves you better than I who loves you better
