So put your hands in the air if you know what I mean
Oh come on girl oh I know that your listenin to me
It's shimmy time all I want is just to move my feet
Oh come on girl yeah you won't you dance with me

I take the first step step while I hold you in my arms
And I'll never let go. You should never be alarmed
When I'm around you babe, something happens to me
I gotta have you while I stay stay stay me

And I say
So get a hold of yourself
Think what you're asking of me
Your not a boy anymore
You're what you're trying to be

With every innocent look
And every light in the scene
You got me caught in your plan
And what you're doing to me

I got my finger to the trigger and I'm ready to go
I'd rather love and always lost than ever love alone
I'm always trying to say the right things but I'm always
wrong
The only thing I have to offer is a dance to this song

You know!
I keep trying to keep my feet on the ground
But every time I look it just seems further down
When I'm around you babe, and what your doing to me
I gotta have you while I stay stay keep staying me

So get a hold of yourself
Think what you're asking of me
Your not a boy anymore
You're what you're trying to be

With every innocent look
And every light in the scene
You got me caught in your plan
And what you're doing to me
