If the weather permits  
I will take you away  
When the clouds start to rain  
And it keeps me away,

It Drives me crazy out of mind  
Every moment every time  
Crazy out of mind  
Every moment all the time

I'm going crazy baby  
Got me in a twister  
Can't keep my mind off of you, can't keep my mind off  
of you  
I'm going crazy baby  
Got me in a twister  
It's all the things that you do, it's all the things that you  
do

If the weather permits  
I will be here to stay  
With you in my arms  
Everyday  
When the clouds start to rain,  
It won't keep me away  
Oh no oh no it won't keep me away

Oh yeah, I'm steady now  
For everything I'm thinking bout  
Come on girl get closer  
When you got me in the backseat
