Do you remember the summer we met?

Now don't you don't you don't you baby ever forget

I'm lovin' and missin' and hopin' that you won't forget  
my face

I'm wishin' we had some more time with each other

But that's just the way it goes

When we were young

We'd spend the nights together

And make them last together

With you in my arms

Now don't you don't you don't you baby

Know that feeling that gets me crazy

Just from your love?

I'm lovin' and missin' and hopin' that you won't forget  
my face

I'm wishing we had some more time with each other

But that's just the way it goes.

I'm lovin' and missin' and hopin' that you won't forget  
my face

I'm wishing we had some more time with each other

But that's just the way it goes

In my heart and soul
