[Verse 1]

In the olden days when romance was staged  
In the Globe, we behold, the tale of two lovers  
Where the hearts they all ache, and they shatter and  
break  
Just a tale of two star crossed lovers...

[Verse 2]

But even today, I feel this way  
When I think about my Juliet  
I sit and watch the clock tick by  
While I wait for her call today

[Chorus]

I'll address it to maddie  
In oh California  
I'll send my heart off in the post  
I'll address it to maddie  
In oh California  
And maybe oh baby she'll know  
(Where. Are. You. Now?  
When I need you so badly?  
Where. Are. You. Now?  
When I need you so badly?)

[Verse 3]

I listen for the tone of my phone  
A new message waiting for me  
Every word I read, my heart skips a beat  
I want her so badly right now

[Chorus]

I'll address it to maddie  
In oh California  
I'll send my heart off in the post  
I'll address it to maddie  
In oh California  
And maybe oh baby she'll know  
(Where. Are. You. Now?  
When I need you so badly?  
Where. Are. You. Now?  
When I need you so badly?)

[Refrain]

I know that you're so far from me now  
The distance can't measure what I seem to treasure...

[Build-Up]x6

I can't help but think  
My heart starts to sink  
Hope you think of me  
When you go to sleep  
(Cause I am thinking of you)

[Chorus] x2

I'll address it to maddie  
In oh California  
I'll send my heart off in the post  
I'll address it to maddie  
In oh California  
And maybe oh baby she'll know  
(Where. Are. You. Now?  
When I need you so badly?  
Where. Are. You. Now?  
When I need you so badly?)
