Four years have passed and I have forgotten
What your face has meant to me
And I never ever wanted, I never wanted... to love you
SO JUST LET ME GO

It's 4 am on the clock and my heart is sinking
And my head is swimming
(In a pool of you)

Waking up from the drunken stupor
I wish you were as you were
Before I broke my heart on you

And even though I tend to look at
The bottoms of empty bottles
At least they don't remind me of you...

I wish I could leave you
I wish I could see you
Paying for all your sins
Making some reparations
All in preparation
For all the deeds you did
You did...
