[Verse 1]

So I'm stuck here all alone,
Talking to my boyfriend on the telephone,
'Cause he's gone off in LA.
Not coming back until' 20 more days.
Mr. DJ ain't making it no better,
Playing love songs is making me sadder.
So baby tell me it's alright,
So baby tell me it's alright.

[Bridge]

I hope you make it back sooner,
So you could be in my arms,
'Cause this love is like no other,
'Cause I...

[Chorus](x2)

I Be Missin' You,
I Be Missin' You.

[Verse 2]

When I go to the club,
All the guys there try and show me love.
But I'm faithful to my man,
I tell them that but they don't understand.
We're staying together & we'll never part,
Always and Forever, he'll be in my heart.
'Cause he tells me it's alright,
Yes baby it's alright.

[Bridge]

[Chorus](x2)

[Verse 3](Rap)

Yes, Yes, I Be Missin' You,
Call you on the phone just to say, "Hey Boo."
I love you and all the things that you do,
I love it when you say, "Hey baby, I love you too!"
I love when we cuddle & I love when you make me
smile,
I wish you didn't leave for such a long while.

But it helps me recognise my passion for you,
So I can officially say that I be missin' you.

[Chorus](x4)
