[Verse 1]

I never cut the ugly, raped my mother  
Deceived my sister, separated my brother  
Murdered my children, hung my father  
Now they want me to rock the coat, the fuck why bother  
Seen their commercials for the Army or whatever  
Picture me givin' a damn I said "Never"  
My mind's too sharp, my brain's too clever  
My spine is too strong, every line pulls your leather  
Limitless rhymes for the indiginious, the remedy  
Plot: Get my money like the Kennedy's  
Flip it, put 'em in stocks, collect enimities  
Rock, Roll, behold my epiphanies  
And read 'em and weep, heat 'em I beat 'em to sleep  
Mislead 'em to we 'Even Steven', defeat 'em with  
freedom of speech  
And let 'em know that I'm the mothafuckin firestarter  
Piss on the Constitution, then burn the Magna Carta

[Chorus]

All I know is what I feel  
Deceive my eyes and distort what's real  
Only truth will set you free  
I'd rather die on my feet, than to live on my knees

[Verse 2]

We dying over black gold, they harvest in the sand  
President's livin' marvelous, they starvin' in Sudan  
It's obvious who walk a blind path to oblivion  
The Book Of Judges read the scriptures unlike Gideon  
Light my fire, start my engine  
When Pharoahe becomes Moses it's medicine for  
religions  
A veteran with the mic bringin' prophecies, youthful  
wishin  
Motivational verses on an adverse condition  
Coded the mainframe, I seen the names man  
They watch you from the streetlights, you and your  
main man  
The barcode around your neck, seen as your main  
brand  
You're lost in a strange land, no thoughts of a game  
plan

[Chorus]

All I know is what I feel

Deceive my eyes and distort what's real

Only truth will set you free

I'd rather die on my feet, than to live on my knees

[Outro]

Piss on the constitution, then burn the Magna Carta

Piss on the constitution, then burn the Magna Carta

Piss on the constitution, then burn the Magna Carta

Piss on the constitution, then burn the Magna Carta

Piss on the constitution, then burn the Magna Carta

Piss on the constitution, then burn the Magna Carta

Piss on the constitution, then burn the Magna Carta

Piss on the constitution, then burn the Magna Carta
