Aiyyo yo yo I tell you what's up
I tell you tell you, tell you what's up

When you sign a crossed line, it's jiggaboo time
It's jiggaboo time yo it's jiggaboo time
When you're runnin out of lyrics, it's jiggaboo time
It's jiggaboo time, it's jiggaboo time

Yo, when you rappin for the money, it's jiggaboo time
It's jiggaboo time it's jiggaboo time
When you don't have a plan, it's jiggaboo time
It's jiggaboo time, it's jiggaboo time

You're rappin' for the white man, it's jiggaboo time
It's jiggaboo time, it's jiggaboo time
When you don't have soul, it's jiggaboo time
It's jiggaboo time, it's jiggaboo time

Nigga when there's pork in your bowl, it's jiggaboo time
It's jiggaboo time, it's jiggaboo time
So Its and lots of pork in your bowl, jiggaboo time
A real big bowl of fat, wait a minute wait a minute

It's jiggaboo time, it's jiggaboo time
It's jiggaboo time, it's jiggaboo time

Aow! Show me them teeth baby
Okay could you bug your eyes just a little bit?
Yeah, straighten that ass out
Yeah, yeah, that's cool, I mean you know, real ghetto
Okay we'll shoot the video over here
We need umm like a street area, y'know, toothless
And homeless, wearin' gold chains, all that shit

Fuck all that bullshit!
I ain't going out like no sucker

But we're all jiggaboos in our own way
So, might as well just get paid, and say, fuck it, y'know
