Aiyyo, Phar-oahe Monch-is, in-cred, i-ble  
Ridiculous pivoting fit meticulous splitting shifts  
In half, cause my, words make, earthquakes  
Soliciting intricately impossible obstacles hit  
You-in-your-ugly-fuckin-face man  
Defendin em even when I'm a minimum state of  
Mind cause, my rhymes, shine like, diamonds  
World circuit, work it, perfect, timing

Ay-yadi-yadi-yadi-yay (hey yo we livin it up)  
Yadi-yadi-yadi-yo (hey yo we livin it up)

(we livin it up, we livin it up)

Heyyyy, bump this shit in your new car system  
The pinnacle of sinister the cynical wisdom  
My strategy, split em, seemingly hitting em  
With little eenie meenie bits of flattery  
That'll stagger em for a minute, imagine I'm draggin  
em in it  
The mud, "Fudge Pudge" rememebr I'm braggin  
infinite  
This Menace here II finish off Society  
Not Dennis, the nemesis of a different variety  
The gap-toothed kid with the I'll computer flow (uhh)  
The Most Beautifullest Thing, so suitable

Ay-yadi-yadi-yadi-yay (hey yo we livin it up)  
Yadi-yadi-yadi-yo (hey yo we livin it up)

(we livin it up, we livin it up)

Yo, come get that ass kicked fast quick  
Monch already with an asterik  
Blast past MC's faster than Flash did  
At last a cop checked to cop hash wit  
Dash a little bit in the cake mix to get blasted  
Sacred, scriptures written inscripted scribe my scrupils  
Slap unhappy MC's who become my pupils  
You're tossed, cut off, similar to cuticles  
The Most Beautifullest Thing, so suitable

Yadi-yadi-yadi-yay (yo, we livened it up)  
Yadi-yadi-yadi-yo (that's right, we livened it up)  
Yadi-yadi-yadi-yay (we livened it up)  
Yadi-yadi-yadi-yo (we livened it up)  
Yadi-yadi-yadi-yay (shhh... we livin it up)  
Yadi-yadi-yadi-yo (that's right we livin it up)  
Ya-di-ya-di-ya-di-ya-di-yiiiii (we livin it up, we livin it up)  
(we livin it up, we livin it up)
